MEMORANDUM FOR THE RECORD

DD/A REGISTRY

SUBJECT: CA

FILE: 40 100-2471

1. In a conversation with the Director this morning, he indicated that he intends to act, probably in November, on the IG recommendation in the IAD inspection report that the policy makers review, annually, approved CA projects to ensure that they still meet current policy needs.

2. He referred to notes which he wrote recently on two papers produced as a part of the on-going EXCOM planning exercise, viz., the DDS&T ideas on technical support for the DO and the CA planning papers.

3. In anticipation of the policy level review, he said that he wants to engage the Deputies in a where-are-we session on CA like that held recently on the Agency in general.
